Re: 30 Day Post-General Report (10/19/00-11/27/00)

Identification Number: C00266932

In response to your request for additional information, we found that the following corrections needed to be made:

In schedule A of this report, there is an In-Kind contribution for Phyllis Johnson for \$950.00, which looks as though she exceeds the limits set forth in the Act. Technically, according to FEC Campaign Guide (4/99, pg. 20, 100.7(b)(6)), this contribution should not have been listed on the report as an In-Kind because it falls under the home event exclusion; therefore, this should not apply towards her contribution limits.

Also in schedule A of this report, there are Primary contributions listed after the date of the Primary Election. Please note that we are making the following corrections on contributions listed as Primary after the Primary Election date for this report as well as previous reports and are attaching copies of these refunds.

Primary contributions being refunded are as follows:

Phyllis Johnson \$1000, W. Brewer Holmes \$1000, Jerrle Evans \$1000, G-P Employees Fund of GA Pacific Corp. \$500, Robert Hurt \$500, Leo Phillips, III \$500, Robert C. Loudermilk \$500, Derrick Jones \$500, Patrick Thomas \$500, Michael Shea \$250, Steve Putnal \$250, Walter Stephens \$250, Joe Sam Robinson, Jr. \$150 and J. C. Jones \$100.

Due to administrative entry errors the following contributions have been corrected as follows:

Bank of America PAC – 8/2/00 \$1000 – General

Leo Phillips, III – 7/21/00 \$1000 – General
